Dear Ms Oberlin

19/11/2025

I wish to thank you for your correspondence and the information provided regarding the Flame of Love of the Immaculate Heart of Mary Movement. I appreciate the clarity with which you have outlined the origins, purpose, and spiritual benefits of this apostolate.

Having considered your request, I hereby grant permission for the Flame of Love Movement to be propagated within the parishes of the Diocese of Down and Connor. This permission is given with the understanding that any activities or initiatives undertaken within a parish must have the prior approval of the respective Parish Priest.

I trust that this approach will ensure that the movement is integrated harmoniously into the life of each parish and that it will contribute to the spiritual enrichment of our faithful.

Please be assured of my prayers for the success of your mission and for all those who will be touched by this apostolate.

With every blessing,

+ Alan McGuckian SJ
